

MEETS IN LYNCHBURG

Anti-Saloon League Selects the Next Place for the Convention.

BISHOP DONOHUE HERE

Will Preach To-day at the Cathedral—Bishop Randthaler at First Presbyterian.

The conference of Anti-Saloon League workers, called to meet at Atlanta on April 19th and 20th, met at the Baptist Tabernacle. The conference was organized by the Rev. Dr. A. R. Holder, of Atlanta, as president, and Rev. James Cannon, Jr., of Virginia, as secretary.

Reports showed that the Anti-Saloon League had been organized in all the border States—Virginia, West Virginia, Kentucky, Missouri and also in Arkansas and Tennessee. The work in Virginia, Kentucky and Tennessee has greatly prospered, and the saloon element has begun to feel the most determined opposition which it has ever had. A number of questions were discussed, but the chief interest in the discussions centered around the question, "Are Anti-Saloon League methods adapted to the conditions in the Gulf and South Atlantic States, and if so, how can these States be organized most effectively?"

The addresses by Drs. Young, of Kentucky; Folk, of Tennessee; and Cannon, of Virginia, convinced those present from other States that the league could be organized and carried on successfully throughout the South.

Rev. Bishop Donohue, of Wheeling, W. Va., who is a guest at the Episcopal residence for a few days, will preach at the 11 o'clock high mass at the Cathedral to-day.

Bishop Donohue is regarded as one of the most learned and profound thinkers in the American hierarchy and has been frequently selected to preach at some of the greatest Catholic celebrations held in this country.

Bishop Edward Randthaler, of Winston-Salem, N. C., and one of the ablest men of his denomination—the Moravian Church—will preach at the First Presbyterian Church, corner of Grace and Adams Streets, to-night at 8 P. M. Dr. Randthaler is an excellent preacher and will be heard with much pleasure in the city. He is the guest of Dr. and Mrs. W. W. Moore, of Union Theological Seminary.

The twenty-first annual conference of the National Florence Crittenton Mission will be held April 24th to 26th in the Wesleyan Methodist Episcopal Church, Washington, D. C. An unusually full and thorough programme has been announced. There will be a number of distinguished speakers from different places. The subjects cover a great range. Among the speakers will be Mr. A. Jones, of Norfolk, Va., a reception to the delegates will be tendered by President Roosevelt at the White House. The conference will close with an address by the Rev. George R. Stewart, of Tennessee.

At the meeting at the Railroad Y. M. C. A. at 2:30 o'clock this afternoon, Mr. W. E. Long, of New York, who is here in connection with the opening of the street railway department, will speak on "A Leading Question."

The Rev. Dr. Landon R. Mason, who has returned to the city, will preach morning and night in Grace Episcopal Church. The Episcopal choir will sing at both services.

IN THE SENATE.

General Deficiency Appropriation Bill Is Passed.

(By Associated Press.) WASHINGTON, April 23.—The general deficiency appropriation bill was passed by the Senate to-day, leaving but one of the appropriation bills unacted upon by that body. A large number of amendments were adopted, among them one limiting the Chinese exclusion legislation to a reaffirmation of the exclusion law of 1902, and other existing exclusion laws. An amendment, which was accepted, was that excluding Chinese and other aliens coming in as a result of agreements between other countries and steamship companies having special reference to a contract between the Cunard Line and the government of Hungary, to supply 80,000 immigrants to the steamship company.

An amendment granting \$1250 to Mrs. Helen E. Longstreet, widow of General Longstreet, was agreed to.

About 200 private pension bills were passed during the day. The chair appointed as a committee to attend the opening exercises of the St. Louis Exposition the following senators: Messrs. Bacon, Burdick, Charles, Clark, Bland, Millard, Fulton, Daniel, Bacon, McCreary and Newlands.

The Senate adjourned until Monday.

TWO FIREMEN KILLED AND FIFTEEN INJURED

(By Associated Press.) NEWARK, N. J., April 23.—Two firemen were killed and fifteen others injured to-day at a fire in a six-story brick building in Mechanic Street, occupied by Weiner and Company, saddler, hardware manufacturers. While the fire was at its height, a score of firemen were on the roof of the building of the Empire Gear and Tool Company, a one-story brick structure, adjoining the Weiner building, an explosion occurred in the Wiener building, which blew out the wall of that building and three stories of the side wall on the firemen. The roof on which they were standing, was smashed like an egg shell, and the men were hurled under a huge mass of brick and timber. The fire was caused by a naphtha explosion.

Beware of Substitution.

Owing to the wonderful popularity which JELL-O has attained since its introduction, many inferior imitations have been placed on the market by unscrupulous manufacturers, who hope to make a profit from their goods sold in competition with JELL-O on the strength of our extensive advertising. Beware of the greasy who tries to sell you something else, claiming it is "Just as good" as JELL-O. No honest grocer will offer to substitute for JELL-O. JELL-O is sold and used more extensively throughout the world than any similar food product. If your grocer can't supply you, please send him name and address to—
